

## Self-Quiz 4 Questions

### Activity Five: GAEVAL

Which of the following flags indicates that no splice sites were confirmed, but that there is some alignment (within the exon boundaries)?

- A. 
- B.** 
- C. 
- D. 
- E. 

Which of the following flags indicates that all splice sites are aligned, however there are some gaps in the coverage between splice sites

- A. 
- B. 
- C. 
- D.** 
- E. 

Which flag should be assigned to this annotation?

File name: fission

- A. 
- B. 
- C. 
- D.** 

File name: unext

Which flag should be assigned to the above annotation?

- A. 
- B. 
- C. 
- D. 

File name: imagesplice

Which flag should be assigned to the above annotation?

- A. 
- B. 
- C. 
- D.
